

**JOIN US FOR THE ANDERSON CHARITY CYCLE
SATURDAY 13TH JUNE 2015**

After the great success of last year's Charity Cycle, which involved 100 riders starting and completing the 55 mile route and raising over £33,000 for the National Autistic Society, we have set ourselves the challenge of repeating the event with more riders and the target of raising more sponsorship money.

Our route will be the same as last year, starting at our HQ in Chelmsford and following a very pleasant (reasonably flat) rural route around the surrounding area and through some very picturesque villages. The finishing line is back at our office, where friends and family will be able to await your triumphant return.

There will be a BBQ and Hog Roast, a well-stocked bar and treats for the younger ones. Entertainment will be provided by our very own Steve Hammond and his band, supported by a DJ.

Riders will arrive at 9.00am for a briefing at 9.30am. With the ride starting at 10.00am. There will four stops on route where food and refreshments will be supplied. There will be a team quiz on route and the chance to take part in a penalty shootout back at the office for those that still have the energy!!

TO ENTER

To enter team:

- Our target is to have teams of 15 riders, each rider will need to raise £150.00 sponsorship money
- We will need your Team Captains contact details
- We will set up an online donation page for your Team
- We can also provide paper sponsorship forms.

To enter as an individual:

- If you wish to join us on the ride but are not part of a team, please contact us and we will be happy to have you join one of our company teams.

CONTACTS

In the first instance can you please contact Karen King on 01245 399999, k.king@andersongroup.co.uk, with your team name and team captains details, or as an individual. Karen will also be able to answer any questions you may have.

We will then send you a link to your Team Donation page.

Attached is a preliminary itinerary of the day, this will however be confirmed nearer the time. We will be in touch in the meantime for rider names and to see how that all important fund raising is going.
